

**European Aviation Safety Agency**  
**SUPPLEMENTAL TYPE CERTIFICATE**

**EASA.IM.R.S.01501**

This Supplemental Type Certificate is issued by EASA, acting in accordance with Regulation (EC) No. 216/2008 on behalf of the European Community, its Member States and of the European third countries that participate in the activities of EASA under Article 66 of that Regulation and in accordance with Commission Regulation (EC) No. 1702/2003 to

**Paravion Technology Inc**  
**2001 Airway Avenue**  
**Fort Collins, CO 80524**  
**United States**

and certifies that the change in the type design for the product listed below with the limitations and conditions specified meets the applicable Type Certification Basis and environmental protection requirements when operated within the conditions and limitations specified below:

**Original Product Type Certificate Number:** TCCA TC H92  
**Type Certificate Holder:** Bell Helicopter Textron Canada Limited  
**Model:** Bell 206, Bell 407  
**Original STC Number:** FAA STC SR00603DE

**Description of Design Change:**  
Enhanced Vision Installation.

**Associated Technical Documentation:**

1. DL-206/407EV-100 revision N/C dated 10 April 2006 or later EASA approved revision  
– Master Drawing List;
2. PR-206/407EV-100M revision N/C dated 28 July 2006 or later EASA approved revision  
– Flight Manual Supplement;
3. PR-206/407EV-120M revision O dated 10 April 2006 or later EASA approved revision –  
Instructions for Continued Airworthiness.

**Limitations and Conditions:**

1. Prior to installation of this modification the installer must determine that the interrelationship between this modification and any other previously installed modification will introduce no adverse effect upon the airworthiness of the product.
2. The installation of this modification by third persons is subject to written permission of the approval holder and holding and disposal of the approved appropriate documentation.

This Certificate shall remain valid unless otherwise surrendered or revoked.

**For the European Aviation Safety Agency,**

**Date of issue: 23 September 2008**
